### BEZVIJČANA MONTAŽA SCREWLESS INSTALLATION

Ugradnja pomoću stegača je brza i jednostavna zahvaljujući rešenju koje omogućava pritezanje stegačem sa vrlo malo okretaja izvijača i bez potrebe jačeg pritezanja vijka.

*The installation by clamps is quick and simple thanks to the solution that provides tightening by clamps with a few screwdriver turnings only and without any necessity for stronger screw tightening.*

Bezvičajni kontakti omogućuju pouzdanu i brzu montažu do dva provodnika preseka 2,5mm<sup>2</sup>, bez upotrebe alata za stezanje.

*Screwless contacts are allowing safe and fast installation up to two conductors with diameter 2,5mm<sup>2</sup>, without screwdriver.*

### VIJČANA MONTAŽA INSTALLATION WITH SCREWS

Priključnica je izrađena tako da zauzima veoma malo prostora u montažnoj kutiji čime se montaža pojednostavljuje zbog većeg prostora za smeštaj provodnika. Priključivanje provodnika je veoma brzo jer je obezbeđeno njegovo postavljanje bez mogućnosti isklizavanja tokom pritezanja.

*Socket outlet is made to take a very little space in installation box. Installation is simple because of enough space for conductors. Connecting of wires is fast since there is no possibility of slipping out when tightening.*

Pritezanje provodnika obezbeđeno je pouzdanom i sigurnom vijčanom vezom za provodnike preseka do 4 mm<sup>2</sup>. Priključivanje provodnika je veoma brzo jer je obezbeđeno njegovo postavljanje bez mogućnosti isklizavanja tokom pritezanja.

*The tightening of conductors is provided by the reliable and safe screw joint for the conductors section to 4 mm<sup>2</sup>. The connecting of conductors is very quick as their setting up is secured without any possibility of slipping out during tightening.*

U ponudi programa EON izdvajamo setove proizvoda u beloj boji, dimenzija 80x80mm (mehanizam + dekorativna maska).

Jednostavnost forme i sjajni efekat bele boje čine ovaj set pogodnim za sve prostore.

*EON program in white color, dimensions 80x80, is produced as a set (product without decorative frame + decorative frame).*

*Simplicity of shape and glossy effect of white color makes this set suitable for all spaces.*
